

Overview

Founded in 2023, Copper Truss Capital Partners (CTCP) is a boutique, sector-focused, lower middle market private investment firm based in Wisconsin. We focus on investing in Midwestern privately-held businesses seeking a conservative capital partner with a flexible duration and hands-on philosophy to value creation. Our experience and relationships with business-focused investors and operating partners provide a strategic advantage in driving sustainable business growth in our investments.

We promote a partnership-first mentality and meticulously focus on empowering businesses to grow strategically, while preserving the existing culture and investing in the people and communities they serve.
